

The Writings of the Fathers Down to 325 A.D.

A PDF free download for those who want to make a study of this period in the history of Christianity and which can be regarded as the foundational phase of formal doctrinal development in post-apostolic Christendom. Indeed a prized gift for the studious Christian who want to research how the main theological doctrines had fallen in place.

The relevant website deals with diverse faiths. We of course confess the Christian Faith, and especially faith in Jesus Christ, the Son of God who came to redeem man from the power of Satan and for whom God the Father had, through the Power of the Holy Spirit, brought forth a body (a fetus) in the virgin to dwell in as “Tabernacle” of the Unseen God and Father of our Lord Jesus Christ. This Biblical truth can never be emphasized enough for on this eternal truth our faith in the one and only living God hinges.
